* A suspect has been arrested in relation to two campus thefts. University Police are working with other agencies to resolve the other incidents.

If anyone has information that may help police in any of these incidents, please contact University Police at 216-397-4600, or call the Tip Line at 216-397-1515.

We ask that the University community consider the following measures to help prevent further theft incidents:

- Always lock you office or room door, even if it is for only a moment.
- Do not prop open exit, office, lab or room doors.
- Do not let people you don't know into restricted areas or residence halls.
- Lock personal items such as wallets, purses, cameras and laptops in a locking drawer or file cabinet.
- Report suspicious persons to University Police promptly, include a description of the suspicious behavior, description of the person and direction of travel.
