March 18-21, 2002

Welcome to JCU's first *Celebration of Scholarship*. This event presents the scholarly activity of our campus through a series of poster sessions, panel discussions and paper presentations. *A Celebration of Scholarship* provides the campus community an opportunity to better appreciate and applaud faculty and students for their individual and collective professional accomplishments.

I hope you enjoy the *Celebration!*

Mary E. Beadle, Ph.D.
Dean, Graduate School
