

**Attention Sophomores and Juniors majoring
in Biology, Chemistry, and Psychology**

**JCU-Cleveland Clinic
Summer 2012 Laboratory
Research Fellowships**

**Applications due
Noon, Wed. Jan. 25, 2012**

During each of the last thirteen summers, researchers at The Cleveland Clinic have supported several JCU students in their labs and The Clinic will again support students during Summer 2012.

Applications are available in the Biology Dept. office (Dolan W201). Contact Dr. Jim Lissemore with questions (x4196, jlissemore@jcu.edu).
