

SECURITY ALERT

John Carroll University Campus Safety Services

Type of Incident: Robbery

Location of Incident: Washington Boulevard at Bromley Road

Date of Incident: Wednesday morning, October 21st, 2009

Time of Incident: 12:02am.

Incident Description: At approximately midnight Wednesday morning, a John Carroll student was walking eastbound on Washington Boulevard when he was robbed by a single suspect. The student was coming from campus, walking toward Bromley Road when a man approached him from behind and knocked him to the ground. The suspect kicked the student, then reached into his pocket and stole the student's wallet. The suspect then fled westbound on Washington past Belvoir.

Description of Suspect(s): The suspect is described as a black male, approximately 25 years old, 6'1" tall, 195 lbs., athletic build wearing a dark hoodie, blue jeans and white shoes.

Additional Information: The student did not require medical attention. The incident was reported to both the University Heights Police and Campus Safety Services.
