

Meeting Minutes  
Staff & Administrator Council (STAD)  
January 17, 2007  
Room AD 48

Attendance: Deanna DePenti, Suzanna Krupa, Rosemary Oldenburg, Kevin Hatgas,  
Frank Congin , Sue Gregg, , Kyle O'Dell, Bea Stofcho

The meeting was called to order at 1:35pm

Budget

Committees are to gather amongst themselves to come up with a budget to be submitted to Kyle. These budgets will be passed to the financiers to establish the working yearly budget for STAD.

General

The committee discussed reaction to the open meeting and, in general, the reaction was strong and good. Employees on campus were pleased to see STAD up, running, and doing things around the university even though at this time some of them might not be outwardly noticeable. The reaction to the topics was good and there was great input from those in attendance. Each committee left with ideas on items to discuss in further meetings.

At this time there is still no progress on the STAD website as Tom Fulton seems to be working diligently on other endeavors. We will keep pressing for his assistance in getting our site up and running.

The meeting was adjourned at 2:10pm

Respectfully Submitted,  
Carol Clark
