

Meeting Minutes
Staff & Administrator Council (STAD)
January 3, 2007
Room AD 48

Attendance: Geri Cahill, Deanna DePenti, Suzanna Krupa, Rosemary Oldenburg, Kevin Hatgas, Frank Congin , Sue Gregg, Bea Stofcho, Kyle O'Dell

The meeting was called to order at 1:32pm

Discussion and finalization of agendas regarding the open seminars to be held on the 9th.

Phoneraiser plug. While they are getting phones, the number they might have anticipated is falling short.

Discussion of community-wide survey results.

Discussion about logo. It was decided that more time and thought should be put into it rather than coming up with something hastily. We want this to be a true representation of STAD and yet look different from other generic logos on the market. Whatever decision is made will be the logo for a long time so it's better to slow down and make it right.

Questions arose over who would be taking Lisa Mencini's place once she vacated her position as the Director of Human Resources. It will be looked into.

The meeting was adjourned at 2:00pm

Respectfully Submitted,
Carol Clark
