Committee Updates

20 cell phones have been collected so far and the drive to collect will continue.

There will be two open meetings scheduled via STAD. The first is with Brian Williams as guest to speak on how student retention is up to all of us on campus and that we all must do our part in keeping the students here and making this a pleasant experience for them. The second seminar will have Jonathan Smith as guest to discuss areas of supervision and how to properly supervise those under one's leadership.

Further discussion on the design of the STAD website.

Meeting adjourned at 2:40pm
