Special Admission

Advanced Placement

The College Board

Applicants may take advantage of the Advanced Placement Program of the College Board, which has encouraged the establishment of college-level courses in high school. The A.P. Program offers placement examinations in a variety of subject fields each spring. Information about these examinations may be obtained through the high school or by addressing the Advanced Placement Program, College Board, Box 977, Princeton, N. J. 08541, or at its website www.collegeboard.com. The following table shows current departmental practice regarding the Advanced Placement (AP) Tests in the subjects examined. Course credit given to advanced placement courses will satisfy divisional requirements of the JCU Core course equivalent. Core special designations (D, R, S, or W) are not awarded to advanced placement courses.

AP TEST	Minimum Score Required for Credit	Semester Hours	Course Credit
Art History	4	3	AH 101
Biology	3-4 5	4 8	BL 112, 112L BL 155-158

Spanish	3	6	SP 201-202
Statistics	3	3	MT 122

Admission

Institutional

Applicants who have not taken the Advanced Placement Tests but have attained a superior level of academic performance in high school will be permitted, on nationally normed examinations selected by the university, to demonstrate competence in English composition, history, languages at the intermediate level, mathematics, and science.

Degree credit is not given on the basis of such tests, but certain basic course requirements may be waived for students demonstrating high achievement. These students will be eligible to enroll in more advanced courses.
