Student Activities

The Office of Student Activities at John Carroll seeks to create an active and vibrant campus culture that enhances student learning, encourages involvement, and promotes leadership development. Through the creation and advisement of co-curricular experiences, innovative technologies, assessment plans, professional development and ethical relationships with others, it helps students gain the knowledge, skills and attitudes necessary to be servant leaders.

The office offers many services and programs, such as New Student Orientation, Fall Orientation, Fraternity and Sorority Life, Student Union, Student Union Programming Board (weekend programming), leadership development, student organization advisement, Homecoming, Christmas Carroll Evening, Senior Celebration Week, facility approvals (exclusively for student use), university vehicle reservations, and university retreat site reservations and postings.

Student Union

Founded in 1920, the John Carroll University Student Union is the student government organization representing all undergraduate students. The Student Union provides the student body with official representation to the university community and is a means for concentrated student concern and activity in academics, disciplinary matters, clubs and organizations, and social programming.

The Student Union is structured so that every student of John Carroll University is a member. This guarantees every student the right to discuss and to speak out on issues facing the student and university communities.

The Student Union office is located on the lower level of the D. J. Lombardo Student Center. More information can be found on the Student Union website at www.jcu.edu/su.
