March 24, 2015

1. Updates from campus committees
  - a. The Committee talked a bit about what the Staff Council views as the top priorities as it pertains to the budget – compensation, benefits, etc.
  - b. Kevin gave a brief update from the latest ULC meeting including information from a presentation about accurately paying hourly staff employees
2. Bring your child to work day
  - a. We have been asked by HR to help run take your child to work day this year. With such a short timeframe we feel that this year we can't be deeply involved but may be able to help.
3. Administrative assistants day – April 23
  - a. Administrative assistants day is coming up and we've been asked to have a role in it. We were asked about possibly providing some sort of swag, but this is not currently in the budget – nor do we have the time to turn something around. Staff Council will be involved on that day in some way, though.
4. Web updates
  - a. The website has been updated with meeting dates and a feedback form. We have also added a page that shows staff council appointed membership on university committees. Meeting minutes will be added once approved.
