

BUILDING AN INNOVATION PIPELINE:

THE CHOOSE OHIO FIRST SCHOLARSHIP PROGRAM AT JOHN CARROLL

Students pursuing science and technology majors are eligible to apply for Choose Ohio First Scholarships. These awards of \$3,640 are funded by a grant from the Ohio Department of Higher Education and John Carroll University through our Building an Innovation Pipeline Program and may be used in addition to any other sources of financial aid.

Choose  First

ELIGIBILITY FOR INCOMING FRESHMEN:

Applicants must be residents of Ohio; accepted as an undergraduate student; have a current FAFSA on file; and interest in any of these majors:

- Biology
- Chemistry
- Exercise Science
- Mathematics and Computer Science
- Physics
- Psychology with a Neuroscience Concentration

Competitive incoming freshmen applicants will have a minimum 3.5 high school overall grade point average and 26 Math ACT score or 590 Math SAT score.

BENEFITS:

- Financial support and connections to faculty and peer mentors.
- Activities and advising that will help you develop the potential to conduct research at JCU and beyond.
- Unique opportunities to engage in research early in your studies.
