

Reciprocity

The Jesuit Career Center Consortium is a partnership of Jesuit University and college Career Centers in which students and recent alumni can receive a uniform set of services and assistance with internship and job searches from the Career Centers for all students and recent alums at the 28 Jesuit colleges and universities nationally.

Basic Services Offered:

1. Students and recent alumni from the 28 colleges and universities will have access to the job/internship listings from other Jesuit schools.
2. Students and recent alumni will be able to attend all career fairs and other career events sponsored by the Career Centers at other Jesuit schools.
3. Students and recent alumni will be able to attend job search and career workshops and seminars sponsored by the Career Center at most other Jesuit schools.

Details & Instructions of Reciprocity:

Students/Alums must make the reciprocity request through their home institution's Career Center.

The reciprocal agreement will be for a six (6) month period of time.

The home institution should make the reciprocity request via e-mail to other institutions as per the guidelines set forth by each individual Career Center.

Students/alums will only be allowed to request reciprocity from one institution at a time.

There will be no cost to the student/alum for the three basic services listed above.
