

# University Committee on the Student Learning Experience (UCSLE)

Meeting Agenda  
March 22, 2023  
8:30 pm – 10:00 am  
Murphy Room

## Committee Charge

UCSLE members are charged to develop, implement, and evaluate initiatives that improve the student experience. As a cross-divisional council of administrative leaders and faculty, staff, and student representatives, it enacts a collaborative and integrative approach to policies, programs, or sponsored events that are aligned with the strategic plan and the University learning goals. It examines issues such as, orientation and advising, experiential education, persistence and completion, career services, diversity and inclusivity, service, justice, and mission and identity. UCSLE members are charged with informing and reporting back to the constituencies they represent.
