CAS Graduate Tuition is charged at \$900 per credit hour for the 2025-2026 academic year. This applies to all CAS programs other than TRS and education.

** This budget is based on the average tuition cost. Students will be billed for the actual hours registered.*

***Loan fees are estimated and included for those students who borrow Federal Direct Stafford loans. They are not charged by JCU.*

Please note that the amount of financial aid awarded cannot exceed the total cost of education.

John Carroll University reserves the right to change its charges if economic conditions make it necessary. The new rates will apply to all students. Notice of any change will normally be published in advance.
